Dear Stephen,

The American Trial Lawyers Association welcomes you as a member of our organization. You are part of a highly selective group of influential and accomplished trial lawyers.

We want to commend you on being selected as one of **The American Trial Lawyers Association's** Top 100 Trial Lawyers from your state. A great deal of effort was made in identifying the top trial lawyers from each state, and we have limited our invitation to only the Top 100 Trial Attorneys.

We are pleased to present you with your certificate commemorating your membership into **The American Trial Lawyers Association** and noting your inclusion in The 2008 Top 100 Trial Lawyers. Your involvement in our organization will afford you valuable business opportunities and extensive networking resources.

It is the mission of **The American Trial Lawyers Association** to also provide our members with some of the most informative and comprehensive educational programs available. Our upcoming 2009 conferences are listed in the enclosed "Calendar of Conferences".

More information on these conferences and any future updates regarding **The American Trial Lawyers Association** will be sent to you at the physical or email address you provided on your membership form. Please also visit our website, www.TheATLA.com, for additional endorsed or sponsored events. We encourage you to place this web address on your list of "Favorites".

We look forward to seeing you at these upcoming events.

Sincerely,
